Other Instructions or Veterinary Needs:

***As of August 2018- any canine in our facility for boarding, doggie daycare, grooming, bathing, or other drop-off services must be current on the Canine Flu vaccine. If your pet is already current on this vaccine series we simply need proof of vaccination. Any pet not current will be required to start the vaccine series prior to being admitted to our facility.**

Proof of vaccination is required at the time of drop-off. If we are unable to verify your pet's vaccination history, at a minimum, Dr. Colbert will administer Rabies, DHPP, Bordetella, and Canine Flu vaccine (to canines) or Rabies and FVRCP (to felines) in order for your pet to board in our facility. We strive to provide the best care and safest environment possible for your pet(s) during their visit with us. Your pet's overall safety is our top priority while they are under our care; therefore, a strict adherence to our vaccination policy is a vital part of our safety plan. It is our privilege to care for your pet(s), and we thank you for entrusting us with their care!

Please list the dates and location of your pet's last vaccinations. (If your pet is cared for here at Columbiana Road Pet Wellness Center you may simply write records on file.)

***Please note: We have everything your pet needs to be comfortable, have fun, and stay safe from blankets to toys, ID collars, and leads. Feel free to bring food and any medications, but please do not bring any additional belongings. Leashes and collars will be sent home with you at time of drop-off. Disclaimer: We cannot be held responsible for extra belongings (i.e owners keys or personal belongings, leashes, collars, or crates) or instructions for family members picking up pets.**

On occasion, it is necessary for us to contact you during your pet's stay with us. Please list the best available contact numbers below. PAYMENT IS DUE AT THE TIME SERVICES ARE RENDERED. Our practice does not bill.
